What do you smell?

What colors do you see?

What sounds can you hear?

What do you wonder?

Find something in nature that will fit in the palm of your hand. Take a minute to observe it. Feel the edges, look at the colors, even sniff it!

I notice....
I wonder....
It reminds me of....

Use this space to sketch anything you want! You can even take notes about your observations. Be sure to use all five senses when investigating your surroundings!
